

Dear Studio 4 Families,

We're so excited to welcome you to a new season at Studio 4! Whether you're joining us for the first time or returning for another incredible year, we are honored to have your family as part of our community.

Our Mission

At Studio 4, we aspire to provide high-quality dance instruction in a fun, focused, and disciplined environment. Our goal is to create a nurturing yet challenging atmosphere that inspires students to grow—not only as dancers, but as confident, capable individuals.

Staying Connected

Clear, consistent communication is key to a smooth and successful dance season! Here's how we keep in touch:

- **Email:** Important studio-wide updates are sent to the email address you provided at registration. Please make sure our messages aren't going to spam!
- **Monthly Newsletters:** For recreational dancers, these arrive in your inbox at the beginning of each month and are packed with key dates, reminders, and news. Competitive families, your newsletters are posted to your Team Band pages.
- **Studio 4 Website:** The Current Students Communication Hub has quick links to Manage My Account, Tuition & Policies, Referral Coupons, and more.
- **Band App:** Our competitive teams and Pre-Comp classes also use the Band app for team-specific updates, practice videos, and quick communication. Make sure you're added to the correct group(s)!

Your Parent Portal (Manage My Account)

Manage My Account is a powerful tool throughout the year! You can log in anytime via the "Current Student Communication Hub" at www.studio4dancers.com. From there, you can:

- View your account balance and payment history
- Make payments
- Review studio policies and waivers
- Update information

We encourage families to check their portal regularly to stay informed and up to date.
